

March 13, 2020

Hello Families,

To assess the impact and to prepare for the possibility of a long-term closure related to the CoVid-19 virus, the Jersey City School District along with several other Hudson County School Districts, Charters and Child Care Centers will close for various periods beginning Monday, March 16th.

Therefore, out of an abundance of caution and to prepare in-kind, DLEACS will be closed from Monday, March 16<sup>th</sup> through Friday, March 20<sup>th</sup>. Instructional packets were sent home to all students today. If a student did not receive a packet, they can access the same either online via google Classroom Dojo or they can pick up a hard copy at the school Monday through Friday during the hours of 8:00 AM to 11:00 AM.

All teachers will Classroom Dojo their respective students with their online classroom schedule; all additional work will also be posted on Classroom Dojo. Further, in partnership with the Jersey City School District, Breakfast and Lunch will be made available to DLEACS students at various locations through the district. Those locations will be posted on Classroom Dojo sometime during the weekend.

At this time, we anticipate school opening regular schedule on Monday, March 23.

**Please be aware that no one in our school, either staff or students have tested positive with CoVid-19.**

Thank you.

James Brewer, Principal

## **Update – March 15, 2020**
