RE: PARCC/NJ ASK Science Testing Schedule Spring 2019

This memo is to inform you that the PARCC assessment window opens on April 8, 2019 and closes on May 28, 2019. The New Jersey Student Learning Assessment for Science (NJSLAS) window opens on May 6, 2019 and closes on June 7, 2019. DLEACS students (Grades 3 to 8) will be tested throughout the test administration windows.

Shorter 2019 PARCC Testing

According to the NJDOE The 2018/2019 PARCC test administration will be significantly shorter as compared to 2017/2018. The ELA and mathematics assessment will take a combined 6 hours (testing time for all grades) versus almost 8 hours of testing time during the 2017-18-assessment window.

FYI

- Our students will take the computer-based test (CBT).
- Please ensure that your child arrives to school by 8:00 AM during the testing window
- All cell phones (apple/android watches) and other electronic devices must be turned in before testing begins
- The statewide assessment schedule for the 2018 – 2019 administration is on the reverse side of this memo.
